banished is dedicated to sex offender research and its issues regarding society mental health and the law equally it focuses on this problem in cultural legal and scientific terms specifically from the clinical point of view though it is written for the general public it offers an up to date and all inclusive look into the mind and habits of the pedophile and child molester this book offers current research into one of the most controversial subjects in society to date discussing topics of mental illness and various psychological disorders the law and how this problem is legally dealt with it focuses on this problem in cultural legal and scientific terms that are readily comprehensible both from the clinical standpoint and the layman s point of view the book offers a detailed review of the sex offender the pedophile and the child molester and directly explores his thinking processes reasoning and related issues that offer a clear and concise exposé in these most hated people in addition to covering the adult offender this work also exemplifies the thought processes of child and adolescent offenders in order to offer cues for parents and educators of possible abuse or illicit behavior through direct examples of client art case histories and offender testimonies the book s purpose will surely educate as well as in purposing methods for positive change in the process the research and findings are based on a journalistic

foundation as well as from an experiential point of view where the author had worked with and had interviewed the subjects exemplified in the case studies section directly one could view this book as a documentary in text form to that of a simple scientific assessment or exposé some examples such as statistical data and related state and government laws national and international legal information as well as properly devised case study examples are utilized to help illustrate the intent of the book's overall purpose moreover because there are sections regarding internet deviancy and its major influence on the human psyche and that these sections offer raw information the reader should be aware of the content and the reasoning for using it it is done so to educate and to hopefully illustrate the realities of this global problem in addition to a selection of thoroughly researched interviews with said offenders in the form of case studies reminiscent to the current style of the American Psychological Association APA formats I also highlight a selection of documented artwork specifically by children and young adults while working as a therapist in various hospitals this section may serve as an alert for parents and educators for possible cues of sexual abuse in or outside of the home but such will also illustrate the sheer potency sexual abuse can cause upon its victims and how it will be viewed from their unconscious psyche and conscious viewpoints

in this collection of interviews that spans from the late 1960s to the beginning of the twenty first century the comic artist proves to be iconoclastic opinionated and impervious to the commercial moods of the public

the travel experience filled with personal trauma the pilgrimage through a war torn place the journey with those suffering these represent the darker sides of travel what is their allure and how are they represented this volume takes an ethnographic and interdisciplinary approach to explore the writings and texts of dark journeys and travels in traveling over the dead amongst the dying and alongside the suffering the authors give us a tour of humanity's violence and misery and yet from this dark side there comes great beauty and poignancy in the characterization of plight creativity in the comic graphic and graffiti sketches and comments on life and the sense of profound and spiritual journeys being undertaken recorded and memorialized

the history of the comic from 19th century to today's graphic novels

legal action comics carries on in the tradition of ground breaking underground comics anthologies like Zap Comix Arcade and Raw

the mask as object symbol character theatrical practice even spectacle is the central metaphor around which Fava builds his discussion of structure themes characters and methods his book combines historical fact personal experience philosophical speculation and passionate opinion including period drawings prints and color photographs of leather masks made by Fava himself the comic mask in the commedia dell'arte is a rich work of singular insight into one of the world's most venerable forms of theater book jacket

Beowulf's presence on the popular cultural radar has increased in the past two decades coincident with cultural crisis and change. Why, by way of a fusion of cultural studies, adaptation theory, and monster theory, Beowulf's popular afterlife examines a wide range of Anglo-American retellings and appropriations found in literary texts, comic books, and film. The most remarkable feature of popular adaptations of the poem is that its monsters, frequently victims of organized militarism, male aggression, or social injustice, are provided with strong motives for their retaliatory brutality. Popular adaptations invert the heroic ideology of the poem, and monsters are not only created by powerful men but are projections of their own pathological behavior. At the same time, there is no question that the monsters created by human malfeasance must be eradicated.

American culture has long represented mixed-race identity in paradoxical terms. On the one hand, it has been associated with weakness, abnormality, impurity, transgression, shame, and various pathologies. However, it can also connote genetic superiority, exceptional beauty, and special potentiality. This ambivalence has found its way into superhero media, which runs the gamut from Ant-Man and the Wasp's tragic mulatta villain Ghost to the cinematic depiction of Aquaman as a heroic half-breed. The essays in this collection contend with the multitude of ways that racial mixedness has been presented in superhero comics, films, television, and literature. They explore how superhero media positions mixed-race characters within a genre that has historically privileged racial purity and propagated images of white supremacy. The book considers such iconic heroes as Superman, Spider-Man, and the Hulk alongside such lesser-studied characters as Valkyrie, Dr. Fate, and Steven Universe, examining both literal and symbolic representations of racial mixing. This study interrogates how we might challenge and rewrite stereotypical narratives about mixed-race identity, both in superhero media and beyond.

Comic Agony is a volume of critical essays that boldly reexamines a number of dramatic masterpieces of the past century.

Created out of the swamp by a freak accident, Swamp Thing is an elemental creature who uses the forces of nature and wisdom of the plant kingdom to fight the polluted world's self-destruction. Alan Moore took Swamp Thing to new heights in the 1980s with his unique narrative approach. His provocative and groundbreaking writing, combined with masterly artwork by some of the medium's top artists, made Swamp Thing one of the great comics of the late twentieth century. In this second collection, Swamp Thing says goodbye to the illusion of his own humanity after learning that he is 100% plant. He meets a crew of benevolent alien invaders inspired by the classic comic strip Pogo, also set in the swamp, and consummates his relationship with Abigail Arcane as only he could. Collects *Saga of the Swamp Thing* 28-34 and *Swamp Thing Annual* 2.
