what values does america truly stand for in the idea that is america a preeminent foreign policy scholar elegantly reminds us of the essential principles on which our nation was established liberty democracy equality tolerance faith justice and humility our ongoing struggle to live up to america s great promise matters not only to us but also to the billions of people everywhere who look to the united states to lead protect and inspire the world in the idea that is america anne marie slaughter shows us the way forward

the sheer range of west s interests and insights is staggering and exemplary he appears equally comfortable talking about literature ethics art

jurisprudence religion and popular cultural forms artforum keeping faith is a rich moving and deeply personal collection of essays from one of the leading african american intellectuals of our age drawing upon the traditions of western philosophy and modernity cornel west critiques structures of power and oppression as they operate within american society and provides a way of thinking about human dignity and difference afresh impressive in its scope west confidently and deftly explores the politics and philosophy of america the role of the black intellectual legal theory and the future of liberal thought and the fate of african americans a celebration of the extraordinary lives of ordinary americans keeping faith is a petition to hope and a call to faith in the redemptive power of the human spirit

the catholic church in the united states has always been an immigrant church from the earliest arrivals of the spanish and english to the influx of irish germans italians and other europeans in the nineteenth century to the most recent arrivals from the philippines and vietnam over two centuries countless laymen and laywomen worked with priests and religious to build and support churches and schools laying the foundation for the catholic church in the united states the wealth of original documents and photographs in keeping faith provides as no other source does a thorough and compelling portrait of these immigrants and their impact on the american catholic institutions and american catholic experience

keeping faith offers west s distinctive mix of political passions and careful scrutiny whether exploring the new cultural politics of difference american pragmatism or race and social theory he sustains a difficult balance between a subtly argued critique of the past and present and a broadly conceived daring vision of the future both troubling and exhilarating keeping faith maps not only the concerns of one of the most significant public intellectuals of our time but issues crucial to americans of all races

lady faith fairen grieves for her recently deceased mother she worries about carter the marquess of aven off fighting napoleon in far away spain who promised to return for her she also frets about her father s safety when he left to visit the barrington relatives in america no one expected he would get caught up in the war of 1812 the second war of independence with britain when word arrives that carter is finally coming home faith dreams of their future together she is devastated to learn he has brought home a beautiful spanish lady to be his bride this is only one of the tragedies that challenge faith s sanity and her faith will her reliance on god sustain her through one blow after another or will she crumble under the onslaught to keep faith is the first book of the barrington saga four stories of war betrayal death forgiveness faith and love

first world war based ex servicemen s organisations found themselves facing an existential crisis with the onset of the second world war this book examines how two such groups the british and american legions adapted cognitively to the emergence of yet another world war and its veterans in

the years 1938 through 1946 with collective identities and socio political programmes based in first world war memory both legions renegotiated existing narratives of that war and the lessons they derived from those narratives as they responded to the unfolding second world war in real time using the previous war as a learning experience for the new one privileged certain understandings of that conflict over others inflecting its meaning for each legion moving forward breaking the second world war down into its constituent events to trace the evolution of first world war memory through everyday invocations this unprecedented comparison of the british and american legions illuminates the ways in which differing international national and organisational contexts intersected to shape this process as well as the common factors affecting it in both groups the book will appeal most to researchers of the ex service movement first world war memory and the cultural history of the second world war
