iranian feminism and transnational ethics in media discourse examines the mediated dialogue of whitewednesdays specifically between u s mainstream news narratives and iranian activists on twitter these narratives highlight how hierarchies of visibility in both news and social media discourse overshadow transnational feminist politics while reinforcing femonationalist narratives such discourses seemingly support women in iran but simultaneously promote islamophobic messages aligned with u s geopolitical politics in a critical discourse analysis of the whitewednesdays campaign on twitter and mainstream u s news coverage of the movement this analysis complicates representations of iran muslim women and feminist politics the author also unpacks the politics of representation where voices on the ground are obscured in favor of elite sources who reaffirm u s islamophobic and xenophobic ideologies scholars and students of communication and media studies will find this book particularly interesting

ten years ago rupert murdoch s fox news channel premiered to millions of cable subscribers across america murdoch s grand experiment was operating on little more than faith and an unswerving conviction that it could fill a niche cnn and the big three networks either could not or would not satisfy we know the rest of the story since its relatively modest premiere fox has become a true force by most ratings measures in fact murdoch s network has surpassed ted turner s cnn of course this would all

make for an inspiring cinderella story if the character living happily ever after wasn't the ugly stepsister fox presents itself without perceptible irony as a trusted news source its familiar slogans fair and balanced and we report you decide suggest an informed skeptical viewership but fox's viewers are empirically speaking less informed than other comparable news consumers and there's some evidence that it's fox itself that's made them that way fair and balanced my ass is a wide ranging irreverent and humorous look at america's no 1 cable news network in addition to examining fox's phony patriotism and piety its dishonest crusades and its well defined agenda and ratings driven techniques the book delivers a hearty slap down to the jewels in the murdoch crown including bill o reilly john gibson hannity and colmes neal cavuto fox friends brit hume et al the result is a hilarious and bracing read red meat for liberals and food for thought for anyone who is both amused by and concerned about journalism's continually eroding standards
